### Quayle Action

1.

This application is in condition for allowance except for the following formal matters:

On February 28, 2005, applicant amended the specification to delete the reference to Attorney Docket information in place of the corresponding U.S. Patent Application Serial No. However, the record does not reflect the U.S. serial numbers of copending applications. What is needed are the plurality of co-pending applications which were intended to be included on the first page of the written specification of the invention.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
